

VARIANT*
THE PILLARS OF
DELPHI
STEFAN FELD

* only in the
first edition!

During setup,
place the Pillars next to the
statues of the same color
on the City Tiles.

During the action
LOADING A STATUE
you may additionally take a
Pillar from the adjacent City
Tile and store it in your Ship.
If your storage is full, you
cannot take the Pillar.

New action
ERECT A PILLAR
Your Ship must be located
adjacent to an already explored
Island Tile. Use an Oracle Die
matching either the color of
the Pillar or the color of the
hexagon around the Island Tile.
Place the Pillar on the Island Tile
and take the reward based on the
depicted Greek letter.

Only 1 Pillar can be
erected per Island.
